PRESIDENT'S MESSAGE

Once again it is my pleasure, as Chapter President, to welcome you to our Annual Christmas Show. At this very busy and special time of year, we feel honored that you have chosen to spend a few hours with the Thoroughbreds. Your patronage and support is always very deeply appreciated. Our wish is that each of you will have a Happy Holiday Season and a healthy and most prosperous New Year.

PRESIDENT

The Thoroughbreds wish to introduce you, our audience, to our Founder, First President, and Good Friend, Mr. Fritzie Drybrough.

Fritzie's magnificent efforts combined with the help of many of his good friends, developed the Louisville Chapter into one of the largest in the entire Barbershop Society and his continued support, guidance and counsel has been a contributing factor in the six International Championships the group now holds.

It is with a great deal of pride and love that the Thoroughbreds dedicate the current Championship as well as this Thirty-Fifth Annual Show to our friend, Fritzie Drybrough.

Bald men...look your age

These photos, all of the same man, but taken at different times show the dramatic effect baldness can have on your appearance. And sad but true, a bald man looks a great deal older than he is. With a LifeLike hair replacement you can strip those years away. Comb and wash it just like your own hair. Participate in the most rugged athletic sports, even swimming, without fear of losing it.

If you have reservations about wearing a hairpiece, remember, it's only the bad ones you see. The high quality, color matched and custom fitted LifeLike hairpiece is simply not noticed. No surgery, no glue, no mess. Just a nice way to look your age and feel confident.

FOUR PENNY OPERA

Take four barbershoppers with a pitch pipe and you have a Barbershop Quartet. But if these four barbershoppers just happen to have more than 80 years barbershop experience between them spent mostly in singing with about 20 quartets, years of directing, coaching, arranging and judging experience, then you have Four Penny Opera. Organized in August 1979, the members of this quartet are, George Peters (Bass), Jim Foley (Baritone), Ben Williams (Lead), and John Erickson (Tenor). Their performance will include something old, something new, something borrowed, but never "Blue".

So we invite you to sit back and enjoy the "G" Rated (for genuine) barbershop sound in the style of "Four Penny Opera".

WHERE ARE THOSE CARS THAT LAST LONGER NOW THAT YOU NEED THEM?

Recent findings show that the life expectancy of a Volvo is 1/3 longer than the average life expectancy of all other cars on the road.*

If that sounds like the kind of well-built, long-lasting car you've been searching for, this is where your search will end. A car you can believe in.

*Analysis conducted by Ken Warwick & Associates, Inc. Based on a comparison of U.S. registration data for Volvo and for the automobile industry as a whole and not by individual make. Statistics available at your Volvo dealer.
